Roundtable Discussion

All

Chief Information Security Officer Greg Fay reported that he plans to take three standards to the Technology Governance Board two weeks from today (October 12, 2006). The standards and their proposed implementation timeframes are:

Laptop encryption – August 2007

Removable media – March 2007

Data classification – March 2007

Discussion focused on the importance of identifying our true requirements and on whether or not to issue an RFP for one standard product.

Strategic Resourcing

DAS – Debbie O’Leary

Consultants from A T Kearney gave a presentation on the benefits of Strategic Sourcing.

Future CIO Topics

Larry Murphy

Consensus of the group was that agenda time is needed for roundtable discussions. Larry Murphy will send out some ideas for future meetings.
